

NCRS SOUTHERN CALIFORNIA CHAPTER JUDGING ANNOUNCEMENTS! Beverly

Good Afternoon Southern California Members!

2024 has taken off and I am truly amazed and happy to report on some fantastic judging events.

This is not the Bonding Strip but I would like to catch up on our Chapter's first quarter of 2024.

As you may know, our Chapter Editor/Webmaster guru, Ed Vignone, had a stroke the day after Christmas. Ed is doing fantastic and we are all hoping for a speedy recovery. We all knew the day would come when Ed would retire and we are finding he actually is irreplaceable.

Thank you Ed for all of your years of dedication to our Chapter and so many other Chapters you have helped around us. Great job Ed! Is ATTA BOY ok to say!

I wanted to catch up 2024 before we head into our new format for the Bonding Strip (Ted Wilm is working hard on putting it all together for our chapter) and our report on the LAS VEGAS REGIONAL EXTRAVAGNZA will be in that first issue!

Hold on for the full report. NOTHING IS STAYING IN LAS VEGAS, IT HAPPENED AND I'M TELLING!! NAMES, DATES, AND TIMES!!!

One request from Barbara Vignone, TECHNICAL ARTICLES are needed for 2024!

Our Chapter has been Chapter of the Year since the beginning of the program and we have only achieved this recognition because of our members helping us achieve this goal. If you are working on a project car, a flight car, a concours car, please take the time to write it down in a short article format and let us know what you are working on IN YOUR GARAGE. Your article is needed. Thank you!

NCRS EARLY SPRING MEET RAIN OR SHINE!! By Beverly LeGate

Guess what, WE DON'T CARE! Rain all you want because we were INSIDE A GORGEOUS MUSEUM!

Our host, Jim Burra was so welcoming and was also our '57 Flight Owner. That's a lot to ask of an Owner but there was nothing Jim wouldn't do for our event. Thank you Jim for opening your museum and being one of our LAS VEGAS SPONSORS!

NCRS WINTER FLIGHT JUDGED MEET

Congratulations to Cathy Kopy for achieving a Top Flight Award for her husband Daniel Kopy who recently passed away. Daniel's '67 was completed at Steve Luvisi's shop in Huntington Beach. A call to our members to help complete a family's dream to have the car flight judged was accomplished and the Top Flight Ribbon made it to Daniel Kopy's Celebration of Life. Thank you, Cathy, for making his wish come true.

Thank you to our Judges for coming together to help make this event happen. Thank you, Tabulators!

Thank you, Steve Luvisi for allowing our Chapter to make this happen ON A TUESDAY!

Thank you Judges!
